

Creating an account

1. Click on the "Log in" button at the top of the web site

2. Click on the "Create New Account" tab

3. Enter a username, email address, company information, and then click on the “create new account” button at the bottom of the page

CREATE NEW ACCOUNT LOG IN REQUEST NEW PASSWORD

New users are required to validate their e-mail address prior to logging in, and will be assigned a system-generated password that should be changed upon the first successful login.

Account information

Username: *

Your preferred username; punctuation is not allowed except for periods, hyphens, and underscores.

E-mail address: *

A valid e-mail address. All e-mails from the system will be sent to this address. The e-mail address is not made public and will only be used if you wish to receive a new password or wish to receive certain news or notifications by e-mail.

4. At this time an email will be sent to you with a onetime use password. You can login to your account and change the password to anything you would like. As long as the account is created within our business hours you will gain access to the “dealer tools” within approximately one hour.
5. The “Dealer Tools” tab can be found by clicking on the “Battery Watering” icon at the top of the page. If you are not logged in or have not yet been granted access this tab will not be available to you.
