

Rough Terrain Watering Cart

Railyards, mine shafts, and construction sites are notorious for rough, uneven ground. Topping off batteries in these areas can be a challenge. Engineered from the ground up for use in harsh environments, the Rough Terrain Watering Cart from Flow-Rite is ready for the toughest work conditions.

BENEFITS TO YOU INCLUDE:

- Larger wheels for rugged environments
- Able to navigate large cracks and stone terrain, as well as steps
- 20 gallon capacity
- Ergonomic, upright design eliminates a user bending down
- Large handle allows for easy hauling from location to location
- Dedicated hose wrap notches
- Easy access spray bottle holders
- AC/DC powered

Indicator lights show when the cart needs charging as well as battery charge level

NEW! Larger wheels fitted for rougher terrain so you can navigate around with ease
