

Snake Tubing

Integrated Tubing Harness

ProFill™
Single Point Battery
Watering System

BENEFITS:

- Up to 50% savings on installation time
- Molded on swivels eliminate possibility of leaks
- Acid and impact resistant
- Compatible with all ProFill™ SPW valves
- Available in bulk or kits

Fast Installation. Easy to Order. Rugged Construction.

Fastest installation process compared to competitive products

- Installs in just 2 easy steps (shown below)
- Reduces installation time and costs up to 50%
- Eliminates the need to cut valve to valve tubing segments
- Easily snaps together in segments

Easy to Order

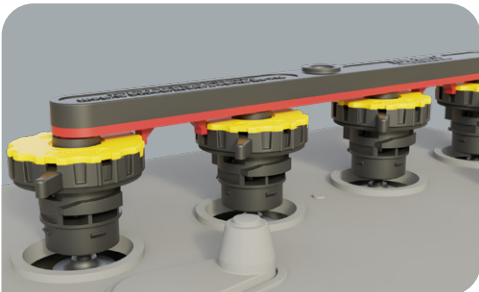

- Available in bulk or kits
- Molded snake segments allow for more versatility and fewer part numbers
- Works with all existing ProFill SPW valves and water supplies

Built to Last Construction

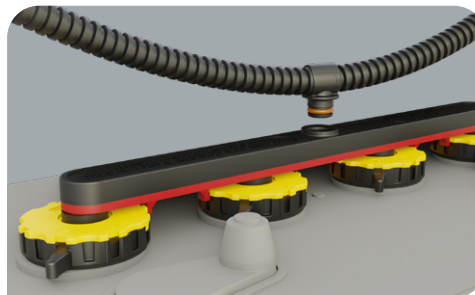

- Tubing material made to not break down when exposed to acidic battery environments
- Durable and impact resistant

Custom Layouts Available

Quick & Easy Installation

Install the valves

Snap in the snake segments
