Vent Cap

Flame Arrested Battery Vent Cap

The Flow-Rite Controls Battery Vent Cap brings together simplicity, efficiency, and safety into a single practical and cost effective product. Twist the cap to install, then remove when watering is needed and you're ready to operate! This flame arrested vent cap restricts combustion transferring from outside the battery into the cells. Ensure the safety of your employees and assets with Flow-Rite!

- **Industry certified flame and Spark testing by JBI Corporation**
- **Tested to SAE J1495 standards Meets California Code of Regulations Title 8, Section 5185**
- **Order ships within 24 hours of placement**
- **Low Profile design keeps the caps safe and out of the way**
