3/4” Fittings
**Qwik-Lok Fittings**

### Qwik-Lok Sockets

**MA-014**  
Qwik-Lok Socket, Straight

- **Latching Arm**: Holds socket securely in place.
- **Locking Ring**: Locks Latching Arms and used for 2-finger socket removal.
- **Hose Stop**: Located directly in front of raised rib.
- **Clamp**: Located in front of raised rib.
- **Raised Rib**:
- **3/4” Hose**:

**MA-025**  
Qwik-Lok Socket, Elbow

- **Ideal for situations where a short hose is required, using one straight socket and one elbow socket.**

### Thru-Hull Fittings

**MA-011-QLB**  
Thru-Hull, Straight with Flange, Qwik-Lok, Black

- **Compatible with MA-008 Snap-in Strainer**
- **Requires 1-1/16” mounting hole.**
3/4” Fittings

MA-011-QLW
Thru-Hull, Straight with Flange, Qwik-Lok, White

• Requires 1-1/16” mounting hole.
• Compatible with MA-008 Snap-in Strainer

MA-020-QLB
Thru-Hull, Straight with Flange and Livewell Pump-out Decal, Qwik-Lok, Black

• Requires 1-1/16” mounting hole.
• Used as discharge fitting with any pump-out system

A pump-out system is a popular and much desired feature that is not always evident to the prospective end user when shopping a showroom or boat show. The decal on the face of this fitting helps call attention to this important feature.

MA-016-QL
Thru-Hull, Straight with Flange and Replaceable Chrome Bezel, Qwik-Lok

• Requires 1-1/16” mounting hole.
• Chrome plated ABS bezels securely snap in place

MA-065 Replacement Bezels.
3/4” Fittings

MA-028-QL
Thru-Hull, Elbow with Flange and Replaceable Chrome Bezel, Qwik-Lok

- Requires 1-1/16” mounting hole.
- Chrome plated ABS bezels securely snap in place

MA-027-QLB
Thru-Hull, Elbow with Flange, Qwik-Lok, Black

- Requires 1-1/16” mounting hole.
- Compatible with MA-008 Snap-in Strainer

MA-027-QLW
Thru-Hull, Elbow with Flange, Qwik-Lok, White

- Requires 1-1/16” mounting hole.
- Compatible with MA-008 Snap-in Strainer
### 3/4" Fittings

**MA-007-QLB**
*Thru-Hull, Elbow with Double Nut, Qwik-Lok, Black*

- Requires 1-1/16” mounting hole.
- Compatible with MA-005 and MA-023 Strainers.

**MA-007-QLW**
*Thru-Hull, Elbow with Double Nut, Qwik-Lok, White*

- Requires 1-1/16” mounting hole.
- Compatible with MA-005 and MA-023 Strainers.

### Connectors and Adaptors

**MA-026-QLB**
*Qwik-Lok Tee, Black*

- Combined with MA-014 and/or MA-025 sockets, is very versatile, offering numerous configurations.
### 3/4" Fittings

**MA-021**  
3/4" QL Male X 3/4" NSPF  
- Fits Attwood pump intake and outlet threads. Fits most pump inlets for remote mounting of pump. Will also fit Johnson Pump outlet when an extra gasket is used.

**MA-031**  
3/4" QL Male X Male Garden Hose Thread  
- Primarily used on some ballast bags requiring garden hose threads.

**MA-029**  
3/4" QL Male X 3/4" Male NPT  
- Primarily used in body of Flow-Rite control valves when pump is mounted remotely and for use on V5 Pump-out valves.

**MA-035**  
3/4" QL Male X 1/2" Male NPT  
- Primarily used on second inlet of Rule Tournament Series and other pumps for the feed to a separate washdown pump.

**MA-032**  
3/4" QL Male X 3/4" Barbed Male  
- Used to provide a quick disconnect from an existing hose or a transition from barbed to Qwik-Lok.

**MA-037**  
3/4" QL Male X Female Thread for Rule® Pumps.  
- Used exclusively for the outlet of Rule Tournament Series pumps to adapt to Qwik-Lok.
3/4" Fittings

Drain Fittings

- **Slotted Threads**: Allows water to drain through threads
- **Raised Standoffs**: Prevents drain screen from blocking drainage
- **Thin Flange**: Minimum thickness for maximum drainage
- **Slotted Flange**: For maximum drainage below flange
- **Molded Hex Nut**: Allows installation without access to both sides of livewell

*The MA-074-QLB & MA-075-QLB drain fittings feature a unique thin, slotted flange that allows water to not only escape through the drain screen, but also below it providing maximum drainage.*

*The MA-0187-QLB & MA-188-QLB drain fittings feature a smooth inlet for use with the MA-022 drain plug.*

- **Offset Drain Hole**: Allows drain fitting to be mounted lower for maximum drainage
- **Strainer**: Included strainer is easily removed or installed with
3/4" Fittings

MA-074-QLB (elbow), MA-075 (straight)

*Drain Fitting, 3/4", Qwik-Lok*

- Requires 1-1/16" mounting hole
- Compatible with MA-005 or MA-023 strainers

MA-187-QLB (elbow), MA-188-QLB (straight)

*Drain Fitting, 3/4", Qwik-Lok*

- Requires 1-1/16" mounting hole
- Compatible with MA-022 drain plug

MA-076-QLB (black), MA-076-QLW (white)

*Drain Fitting, Straight, Low Profile, 3/4", Qwik-Lok*

- Requires 1-1/16" mounting hole
- Includes strainer
3/4” Fittings

Barbed Fittings

Thru-Hull Fittings

MA-011-B

*Thru-Hull, Straight with Flange, Barbed, Black*

- Requires 1-1/16” mounting hole.
- Compatible with MA-008 Snap-in Strainer

MA-011-W

*Thru-Hull, Straight with Flange, Barbed, White*

- Requires 1-1/16” mounting hole.
- Compatible with MA-008 Snap-in Strainer

MA-020-B

*Thru-Hull, Straight with Flange and Livewell Pump-out Decal, Barbed, Black*

- Requires 1-1/16” mounting hole.
- Used as discharge fitting with any pump-out system

A pump-out system is a popular and much desired feature that is not always evident to the prospective end user when shopping a showroom or boat show. The decal on the face of this fitting helps call attention to this important feature.
3/4” Fittings

MA-007-B
Thru-Hull, Elbow with Double Nut, Barbed, Black

• Requires 1-1/16” mounting hole.
• Compatible with MA-005 and MA-023 Screw-on Strainers

MA-007-W
Thru-Hull, Elbow with Double Nut, Barbed, White

• Requires 1-1/16” mounting hole.
• Compatible with MA-005 and MA-023 Screw-on Strainers

MA-027-B
Thru-Hull, Elbow with Flange, Barbed, Black

• Requires 1-1/16” mounting hole.
• Compatible with MA-008 Snap-in Strainer
### 3/4" Fittings

**MA-027-W**  
*Thru-Hull, Elbow with Flange, Barbed, White*

- Requires 1-1/16” mounting hole.
- Compatible with MA-008 Snap-in Strainer

**Connectors and Adaptors**

**MD-041**  
*Adaptor, 3/4" Male Barb X 3/4" Male NPT*

- Used on barbed versions of the V5 pump-out valve body for intake from a recirculation pump.

**MD-042**  
*Adaptor, 3/4" Male Barb Elbow X 3/4" Male NPT*

- Used on barbed versions of the V5 pump-out valve body for intake from a recirculation pump.
3/4” Fittings

Drain Screens & Plugs

MA-008
Snap-in Strainer, Stainless Steel

- Compatible with MA-027 and MA-011 series fittings.

MA-023
Screw-on Strainer, Stainless Steel

- Compatible with MA-007 series fittings.

MA-005
Screw-on Strainer, Small, Stainless Steel

- Compatible with MA-007 series fittings.

MA-022
Drain Plug

- Compatible with MA-027 and MA-011 series fittings.
